

# 1ST INTERNATIONAL SUMMIT ON PRIVACY-PRESERVING AI FOR FOOD RISK INTELLIGENCE

Friday June 9, 2023 | 11:00 CEST | Virtual Event

## Agenda

---

11:00-11:10

---

## Welcome from hosts

Chris Elliott, Queen's University Belfast  
Manos Karvounis, Agroknow

---

11:10-11:20

---

## Building the Food Fortress: Collaboration for a Secure Feed-Food Chain

Chris Elliott, Queen's University Belfast

---

11:20-11:30

---

## Can we predict food safety risks while ensuring confidentiality?

Manos Karvounis, Agroknow

---

11:30-11:40

---

## F11N: Confidentiality and Collaboration for Data-Driven Food Industry Integrity

Tim Hill, Eversheds Sutherland

---

11:40-11:50

---

## Technical Foundations of Federated AI Learning

Bas van der Velden, Wageningen Food Safety Research

---

---

11:50-12:00

---

## Privacy Considerations in Consumer-level Applications

Siu Lie Tan, Delft University of Technology

---

12:00-13:00

---

## Discussion Panel

Facilitator:

Chris Elliott, Queen's University Belfast

Panelists:

Micheal Bell, Northern Ireland Food & Drink Association

Siu Lie Tan, Delft University of Technology

Bas van der Velden, Wageningen Food Safety Research

Tim Hill, Eversheds Sutherland

Manos Karvounis, Agroknow

---

13:00-14:15

---

## Interactive Brainstorming Sessions in Small Groups
